“We are experts in finding off-market opportunities because of our rich network and relationships. That’s why more than 65% of our transactions are direct deals.”

David Conroy joined Cawley Chicago in 2013 and after a year at the company teamed up with Tim Gallagher and together they have completed a variety of transactions including tenant representation, investment sales, and asset brokerage. He has performed a variety of tasks for clients including lease renewal negotiations, new lease negotiations, facility acquisition and disposition, site selection, investment underwriting and construction/development consulting. To date Mr. Conroy has been involved in over 2,500,000 SF of transactions valued at over \$100 million.

Mr. Conroy earned a Bachelor of Science degree from the University of Wisconsin at Madison double majoring in Economics (B.S.) and Geoscience & Geophysics (B.S.). Mr. Conroy has been a finalist for the prestigious Frank Mahoney award and been recognized as a up and comer for the company.

Recent Transactions:
