“At Cawley Chicago Capital Markets Division, **we help finance every layer of your capital stack.**”

JJ Bliss is currently the Executive Vice President of Debt and Equity with Cawley Chicago and utilizes his extensive experience in real estate and capital markets to provide customized capital solutions including debt and equity, on behalf of institutional and private real estate investors.

Prior to joining Cawley, JJ was the managing partner of his own real estate finance brokerage specializing in financing all levels of the capital stack and has raised money for over 70 properties in the last 4 years. JJ understands the vision in investing and can help navigate situations where creativity is needed. JJ earned his BA at the University of WI- Madison where he was also on the track team.
