### **THE STANDARD OF VALUE IN THE VALUATION BUSINESS**

The Industrial Appraisal Company provides valuation services for buildings, machinery and equipment, real estate, fine arts, inventory, and other tangible assets to both the public and private sectors. Our valuation studies are regularly used for the purposes of pre-acquisition due-diligence, post acquisition asset management, insurance risk management, bank financing, ad valorem tax, estate and gift tax, buy/sell/lease agreements, fixed asset accounting, financial reporting, litigation support and expert court testimony. We employ some of the nation's most outstanding professional appraisers in various appraisal disciplines to meet our client's needs. IAC has been in business since 1931 and is still privately held by the original ownership. Cawley Chicago is the exclusive agent for IAC here in Chicago.
