

Investment Sales Acquisition/Disposition

Cawley Chicago Commercial is a market leader in selling investment properties throughout the Metropolitan Chicagoland Area. Cawley specializes in selling office, industrial, retail and special use properties.

Whether you are trying to sell a 60,000 square foot office building, 75,000 square foot multitenant industrial building or a 125,000 square foot grocery anchored shopping center we have over 1300 local and national buyers both private and institutional in our database to market the property to. No deal is too big or small. We sell all types of properties from core 100% leased assets to 30% occupied add value opportunities.

Conversely if you are a buyer active in the market or coming out of a trade we can network these same 1300 owners to find you your property.

Dan O'Neill the Director of Investments has over 15 years of experience and welcomes your phone call. Please call us today for your property analysis or buying needs.
